

Privacy Policy

Effective Date:[9.26.2025]

This Privacy Policy (“Policy”) describes the manner in which [Jiajian Lin] (“we”, “us”, or “our”) collects, uses, and discloses personal data about you through our [RetireCal] (“App” or “Services”). By using the App or Services, you consent to the collection, use, and disclosure of your personal data as described in this Policy.

Personal Information We Collect

Here are the types of information we gather:

- behavioral usage of the App.
- email address.
- the type and operator of network (such as Mac address).
- the type, version, brand, language and operating system of device.
- device identifiers (such as IDFA, IDFV for Android, GAID for IOS).

How We Use Personal Information

We collect, use, and disclose personal information for the following purposes:

- Providing you access to the App.
- Securing and protecting the App.
- Communicating with you.
- Maintaining, fixing, and improving the App.
- Meeting our legal obligations.

How We Share Personal Information

We share personal information as described below:

- We employ other companies and individuals to perform functions on our behalf.
- The affiliates that we control.
- When we believe sharing is appropriate to comply with the law, enforce or apply our terms and other agreements, or protect the rights, property, or

security of us, our users, or others.

What's Your Rights and Choices

You have rights relating to your personal information, including:

- The right to request to access and receive a copy of your information and certain details about how we collect and process such information.
- The right to request that we delete your personal information;
- The right to request that we correct your personal information; and
- The right to withdraw any consent you previously provided to us regarding the processing of your personal information at any time.

Children's Personal Information

We don't provide the App or Service by children under 13. If you're under 13, you may use the App or Service only with the involvement of a parent or guardian.

How We Secure Information

Security is our highest priority. We design our systems with your security and privacy in mind. We maintain physical, electronic, and procedural safeguards in connection with the collection, storage, and disclosure of personal information. We protect the security of your information during transmission to or from the App by using encryption protocols and software.

Retention of Personal Information

We keep your personal information to enable your continued use of the App, for as long as it is required in order to fulfill the relevant purposes described in this Policy, as may be required by law (including for tax and accounting purposes), or as otherwise communicated to you. How long we retain specific personal information varies depending on the purpose for its use, and we will delete your personal information in accordance with applicable law.

Third Party Sites

The App may embed content provided by others or include links to other

websites and applications. These companies may collect information about you when you interact with their content or services. We are not responsible for the practices of these companies. Please consult their privacy policies to learn about their data practices.
